DAVID JERROLD, Master, positively

On FRIDAY, MARCH 23d, 1849,

Via the River St. Juan and Lake Nicaragua, across the Isthmus of Leon.

Capt. BRONSON, of the U. S. Topographical Engineers,

Having explored the route of the proposed Nicaragua Canal, and having ascertained that by following the water course and gulfing route, by the route which we direct full of water during the rainy season, the route is the most direct and safe, and the most certain to succeed.
